Department: General Services

Division: Animal Care Services

Organization No: 3172

Description/Analysis

Issue: In accordance with Sacramento City Code, Title 2, Chapter 2.12.030 and California Penal Code Section 836.5, the City Council is required to issue a Resolution assigning specific individuals the authority to enforce codes through means of citation and arrest. The attached Resolution provides the names of the specific individuals in the Animal Care Services Division who have received the required training and are recommended to receive approval for citation and arrest authority.

Policy Considerations: The staff recommendation is consistent with City Council priorities and policies related to compliance with the City's Codes, cost recovery, and the City's goal to enhance and preserve the neighborhoods by providing enforcement of animal related laws.

Environmental Considerations: This report is not considered a project and therefore has no potential for an effect on the environment as stated by the provisions of the California Environmental Quality Act (Section 15061 (b) (3)).

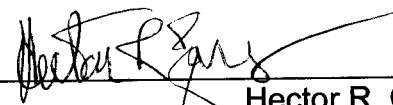

Commission/Committee Action: None

Rationale for Recommendation: In accordance with Title 2 of the Sacramento City Code, when a job classification is designated by the City Manager as requiring citation authorization, a Resolution granting individual employees citation authority is routinely forwarded to the City Council for approval.

The actions in the recommended Resolution meet the requirements of Title 2, Section 2.12.030 of the Sacramento City Code which authorizes City Council to grant citation authority to individual employees. It is currently necessary to update the list of Animal Care employees permitted this authorization, as personnel changes in the Animal Care Services Division have occurred.

Financial Considerations: This report does not result in any financial impact to the City.

Emerging Small Business Development (ESBD): No goods or services are being purchased.
